

iPad™ ManageMyTVs Application Setup

ManageMyTVs Application

1. Go to www.managemytvs.com and click the “Available on the App Store” link.
2. Download the app from Innovative Systems - press Install App.
3. To use the ManageMyTVs application, select the MyTVs icon from the screen. The ManageMyTVs Sign-In screen will appear.
4. Enter IP address apps.hartel.net in the URL field.
5. Enter your username in the Username field.
6. Enter your password in the Password field.
7. Select the *Sign In* button.

The screenshot shows the Sign In screen of the ManageMyTVs application on an iPad. The status bar at the top indicates the device is an iPad, has a Wi-Fi connection, the time is 9:09 AM, and the battery is at 92%. The screen has a dark blue background with a lighter blue gradient at the bottom. The title "Sign In" is centered at the top. Below the title are three white input fields labeled "URL", "Username", and "Password". At the bottom center is a blue button with the text "Sign In".
